Welcome to Pinnacle Peak Steakhouse!

Thank you for supporting a locally owned and operated restaurant.

Things may look a little different here in the Old West, as we are following federal, state, and local mandates. We pledge to treat you with respect, patience, and understanding as we all contend with these new changes. We humbly ask that you extend the same kindness to our team tonight. Your health and safety are our number one priority. If you have any concerns, please do speak up! We want your evening to be a relaxing and enjoyable one.

Due to local mandates, patrons are required to wear a face covering any time they are not seated at their table. We appreciate your cooperation with this local mandate.

Due to the pandemic, we have seen major disruptions to our supply chain. You may see some items replaced with something similar or temporarily unavailable. This is because we are not able to order these menu items from our suppliers. We want to be upfront and honest with you, our loyal guests. We have temporarily increased the price on a handful of our items by a few dollars. We have seen the prices we pay go up by over 50%, but we have decided to not pass that huge increase on to you. We expect that these price increases will decrease soon, and we will re-adjust our prices accordingly. We appreciate your understanding of the situation, and your continued support.
